LOCATION: The sale will be held in the sales pavilion at Hawkeye Downs, Cedar Rapids, Iowa, on U.S. 30 and U.S. 218. Paved roads between Cedar Rapids and the airport.

LUNCH: Will be served on the grounds.

1. The auctioneer will settle any disputes as to bids.
2. Terms: Cash, unless arranged before the sale between seller and buyer and clerk so notified.
3. Guarantee: All cattle are sold subject to a sixty day retest for Tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bang's within 30 days or are calfhood vaccinated following a clean test unless otherwise stated. Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of sale are guaranteed to be breeders. Heifers should not be served by heavy or old bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation.
The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.
4. The Sale Manager and Clerk act only as agents for the several consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.
5. Your sale manager liked a feature at the Perth, Scotland, sale in 1960. The seller stood near the auction block. He could state a "Reserve Bid" or have the auctioneer announce "No Sale". We will follow that practice. In case of a "No Sale", the seller pays the regular prorata sale expense but there will not be any manager's fee. However, if any animals are "By-Bid", there will be due the manager's 2% fee.
6. A Certificate of Registry and signed transfer will be furnished for each lot sold and an application for registry will be furnished, for each calf sold at foot.
7. We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.
8. Mail Bids: Those wishing to buy at this sale and who cannot attend may send their bids to the auctioneer, sale manager, or special representatives.
9. Auctioneer: J. E. Halsey, Des Moines.

Browndale Chief was Omaha Reserve Champion in 1959. We only mated 4 heifers to this bull before he was sold in Omaha, and 2 of those were Grand Champion bull and Grand Champion female in Omaha in 1961 and also the top selling cattle. Lady Perfect 197th was shown at the Iowa State Fair and showed second in her class. She is an outstanding daughter of Omaha Reserve Champion bull Collynie Masterpiece.

Red, A. L. Dunham & Son

RUTH 41ST x - This is a good solid red heifer. She won't be fitted too highly and I have confidence she will make a good brood cow. She will be mated to our good new herd bull G. F. President 11th. He was reserve Grand Champion at the Missouri State Fair, and also Reserve Grand Champion at the Clay County fair at Spencer, Iowa in 1962, in horned competition against some of the good horned herds in Iowa and Minnesota. This bull has tremendous size for age as he weighed 1725 lb. at 2 years of age.

HI-VIEW SNOW CHIEF - Is a full brother to the Grand Champion 2 years ago at Hawkeye Downs Sale. His full sister was Grand Champion female at the All-Beef Futurity in Madison last winter. His dam produced the Grand Champion bull there four years ago and was Reserve Champion over all breeds. Note: The picture of Snow Chief's Champion heifer on page 40, opposite the inside back cover page.

LOUADA ARISTOCRAT has been an exceptionally successful sire in the W. C. Anderson & Son herd the past four years. The grand champion bull and female at the 1962 Iowa State Fair were sired by him. At the recent National Western Show at Denver this bull sired two first prize bulls, and firsts in the following groups: 3 bull, 2 bull, Senior Get of Sire and Junior Get—a really wonderful accomplishment. He sired the reserve senior champion bull that sold for \$4000.00 in the Denver sale. Lot 60 is sired by him. Billy Anderson donated a service to the dam of Lot 60 and she produced twin bull calves.

She was mated in early January to "Gladlon's Maestro", the good son of Phopachy Maestro that we are using. She should please most any buyer.

M LANDS MISSIE 30TH - Is a dark red February 6th heifer suitable for a 1963 Purebred Beef Heifer Project and is one that we surely hate to part with as she is sired by our new herd bull, "Fanfare's Control" by Fanfare Jr. whose dam was by the noted Mercury's Control and this breeding has worked so well for the "Hickories" and the Neal James Estate herds in Wisconsin. She has the appearance and breeding of a real brood cow.

HERE'S WHAT A SHORTHORN

OR POLLED SHORTHORN BULL

CAN DO FOR YOU

COMMERCIAL CATTLEMEN!

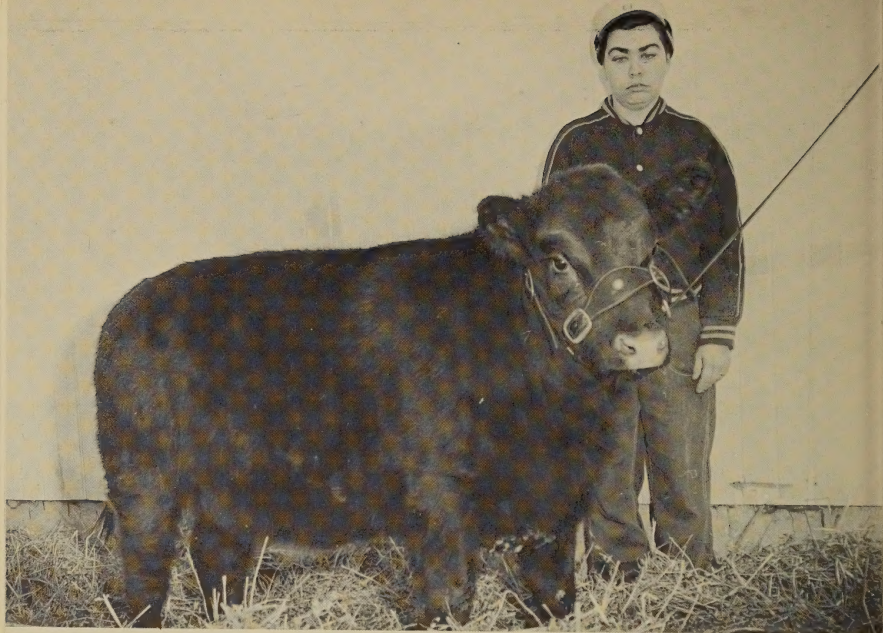

Above: A family portrait. Mama is one-half Shorthorn and one-half Holstein. Dad is a white ton Polled Shorthorn bull from the WaWylo herd. Note the depth, thickness and beef type of the calf.

We have bulls in this sale that are ideal for crossing on black or whiteface cows and dairy cows as well as for upgrading Polled Shorthorn and Shorthorn herds.

REMEMBER! Reds, Whites and Roans are the great improvers.

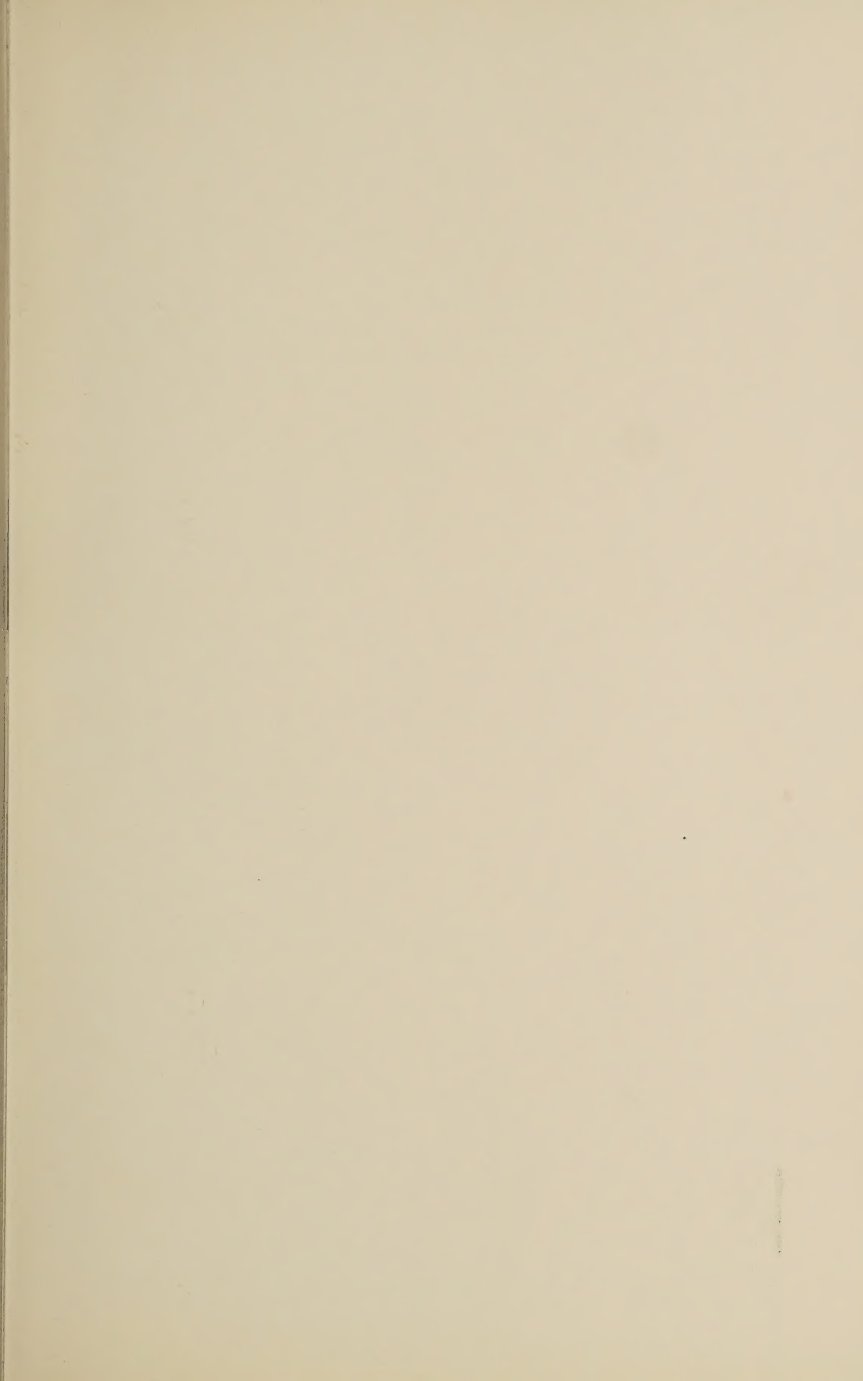

We note that our judge recently sold two white Polled Shorthorn bulls to be used on whiteface cows in Idaho.

This is Mary Bacon's heifer that she is offering for 1963 Club work. Look to Lot 43 in this sale for her breeding footnote.

Bob Raisebeck's Grand Champion Heifer at the "All Beef Futurity" show at Madison, Wisconsin last winter. She is a full sister to Hi View Snow Chief, Lot 59 in this sale.
